OUR JOURNEY

★ Real people. Real growth.

Bill Kapsidelis

Bill started with one store in Watauga in 2011. Through leadership, consistency, and a strong team culture, that first store has grown into a 12-store CPR Cell Phone Repair network across Dallas-Fort Worth.

Norvin

Norvin has been with the company since 2016, 10+ years of growth. He now serves as District Manager, helping lead operations, marketing, systems, and AI implementation across the 12-store network.

Aida

Aida began as an employee and, through dedication and performance, grew into a partner who opened the successful Mesquite store, proof that growth from within is real at CPR-DFW

Our Vision

We are building more than stores; we are building leaders. We believe in customer service, repair quality, sales confidence, teamwork, and giving motivated people the chance to grow.
